GROWTH**

MOTIVATION & FACILITATION 5 FOR ELECTORAL PARTICIPATION

- Create awareness about electoral process.
- To create a sense of involvement, voter entertainment material, electronic print media messages are created, songs creative products developed and disseminated
- State government functionaries, Booth level officers & campus Ambassadors conduct group & inter personal conversation with target population.
- Electoral participation trends during previous electoral cycles are assessed through situation and gap analysis and SVEEP(Systematic Voters Education and Electoral participation) plans are chalked out.
- Implementation through Chief Electoral Officers in the States and Union Territories and District Election Officers.
- Once voters are aware about electoral process, the importance of participation on election day are made through physical events, persuasive messages, mass mobilization activities, pledge letters and sports events.
- SVEEP tries to help promoting engagement and making sure they feel involved
